

# Signing Up for Schoology as a Parent / Guardian

**New Schoology Users:** Please follow the steps below to create a Schoology Account. Use a computer to sign up, but after that, you can use any mobile device with Internet to log in to Schoology. The Schoology app is free for Android and iOS users. Each student is assigned one access code, but multiple parents/guardians should use that same code.

**Already have a Schoology Account:** Skip to Step 6.

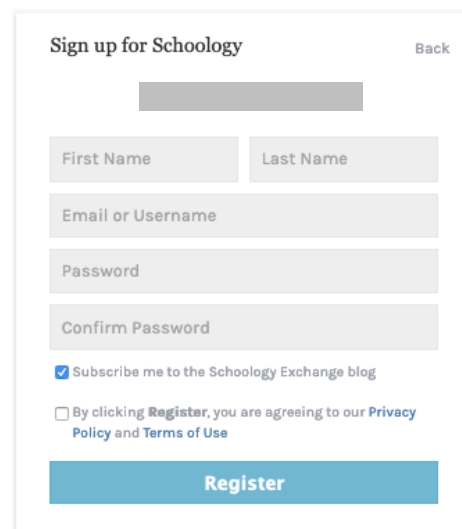

1. Visit <https://app.schoology.com/register.php?type=parent> to create your Parent Account.

2. Enter the Access Code associated with your student and click **Continue**. (This was provided to you by the district.)
